

Dear Resident,

Welcome to the latest edition of the Addiscombe Update. We would like to you updated about crime and policing information in the Addiscombe area.

Local police officers, together with the ward panel members for Addiscombe have set two 'ward promises'. These promises are what your local policing team will focus their efforts on in order to reduce crime in the area.

Contact you Addiscombe local policing team on 020 8721 2473 and Addiscombe@met.police.uk.

PROMISES

Burglary- As the nights are still dark early burglaries unfortunately increase. We will be conducting high visibility patrols on the ward, as well as handing our crime prevention and security advice.

Anti-social behaviour by Youths - We have had numerous complaints from residents regarding groups of youths congregating in East India Way, Addiscombe Railway Park and Lower Addiscombe Road. Residents have been spoken to and the areas have been identified. As such, the team have and will continue to increase patrols in and around these locations at relevant times. Please see Newsflash for an update.

Please call your local police team or the non emergency number 101 unless in an emergency then call 999.

NEWSFLASH

Recently Addiscombe has been experiencing an increase of anti-social behaviour. This problem has caused a lot of distress for our residents. So as a proactive move Addiscombe had a 48 hour dispersal zone put into place from 2nd March 1400 hours - 4th March 0700 hours and 12th March 1900 hours -14th March 1900 hours. This was very successful and we managed to disperse a large proportion of the youths out of the area. We will be monitoring this closely and will be able to put it back in place if needed
